

## HARTSFIELD-JACKSON ATLANTA INTERNATIONAL AIRPORT

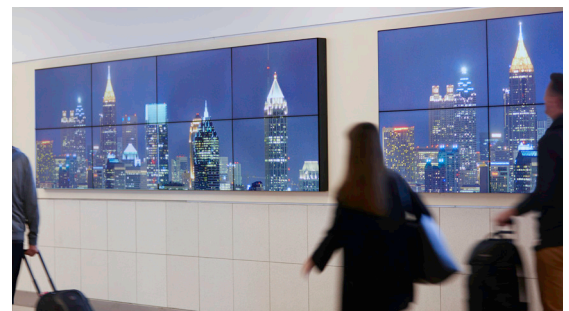

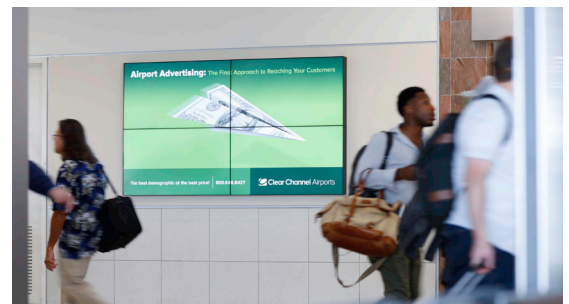

Atlanta, Georgia

### Products:

- Leyard TWA Series
- Clarity Matrix LCD Video Wall System
- Planar UltraRes Series

### Airport Locations:

- 7 Terminals
- Main Concourse
- Baggage Claim

In 2018, Clear Channel Airports installed dozens of Leyard and Planar LED and LCD displays, providing an impactful digital signage advertising network for one of the nation's busiest airports.

Throughout Atlanta Airport's main concourse in seven terminals, 68 Leyard® TWA Series (TWA1.8) LED displays are mounted to the ceiling. A total of 43 Clarity® Matrix® LCD Video Walls System displays are wall-mounted in varying configurations, including 4x2, 3x2, 3x3 and 2x2.

Additionally, 34 Planar® UltraRes™ 4K LCD displays are installed in baggage claim, delivering an ultra-high resolution platform for communicating and advertising to travelers.
